Parent Questionnaires

Thank you to all our families who completed a family questionnaire in the summer term. Staff have collated the results and are using the findings to inform change and improve outcomes for our pupils. A summary of the findings will be sent home to all families and will soon be available on the school website.

International Day of Peace

This week staff and pupils celebrated the UN's International Day of Peace. We marked the occasion with a special assembly led by Miss Hill. The children have been writing poems and making peace windmills to represent what 'Peace' means to them. We also gathered around our Peace Pole in the school grounds to take a moment to reflect.

Open Mornings

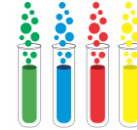

Our Open Mornings for prospective new pupils to Reception 2018, will be held on Tuesday the 10th October and Tuesday 14th November, 9:30-10:30am. (Both sessions include the same content).

If you know of any families that may be interested, please ask them to contact school or look at the school website where details can be found on the Home page.

Extra-Curricular Clubs

Science Y5-6

Letters have been sent home this week regarding our autumn term 1 Science club that we are initially offering to Year 5 and 6 pupils. To secure a place, please return the slip AND book via School Money as there is a cost for this club to cover resources. The club will be run by staff from Oldham Sixth Form College.

Walk to School Week

Next week is 'Walk to School Week' for Friezland pupils. The initiative supports our Eco-School status and also helps our pupils to maintain a healthy life-style. Our children who walk to school are often more awake and alert ready for learning than those who have travelled in by car.

Pupils will receive a credit for each journey they either: walk to school, come on their bike/scooter or, park and stride (please park sensibly and in a suitable place). There's a maximum of ten points available and certificates will be awarded accordingly.

During our last 'Walk to School Week', almost 50% of our pupils managed to walk for at least 8 sessions- we are aiming to at least match this, this time!

LGFG Update

More success for Team LGFG! Gold for the Junior Swimming Team and silver for the Senior Team. Silver for the Sparrows and Eagles in Junior football and bronze for the basketball team. Good luck to everyone who is taking part in the final events this weekend!

Friezland's Art Gallery

Over the next few weeks, pupils will be taking part in an art project and their end results are going to be framed and displayed in our very first Friezland Art Gallery. Families will be invited into school on the afternoon of Thursday 12th of October from 2:45-5:30pm to view the art and purchase a framed piece of original art. Extra prints can also be purchased for family and friends- ideal Christmas presents! Refreshments will be available to enjoy for a small fee whilst you enjoy browsing. We look forward to seeing you there.
