

Friezland Primary School

School Development Plan

2017 – 2018

Key Objectives 2017 – 2018

- **Outcomes for Children and Learners:**

1. To effectively challenge the more-able in order to ensure progress is at least 'expected' and that a higher proportion of pupils achieve, 'greater' depth'.
2. In Science and Humanities, ensure that the progression of skills is evidenced consistently across all key stages.

- **Quality of Teaching, Learning and Assessment:**

3. Ensure assessments systems are used consistently and track progress as well as attainment.

- **Personal Development, Behaviour and Welfare:**

4. Develop Home-School support through the use of parent workshops on key areas.

- **Effectiveness of Leadership and Management:**

5. Increase the knowledge, understanding and accountability of the Governing Board through the implementation of the EROG actions with a key focus on the school's vision.
6. Ensure leaders rigorously check the standard of teaching and learning to ensure that it is never less than 'good' across all key stages.
