Dear Parent/Carer

Road Safety Training Scheme – Year 5

Your child's school is participating in a road safety education training scheme. The scheme involves training children at the roadside in small groups under the supervision of an adult. They will be supervised (a ratio of one adult to a maximum of six children) and will be wearing high visibility waistcoats whilst being trained.

To enable your child to take part please sign the form below and return it to the class teacher as soon as possible. **We cannot train your child unless you return this form.**

This initiative will help to prepare your child with their transition from primary school to high school. Please can you help to develop these pedestrian skills by ensuring that you set a good example every time you are out and about with your child.

Yours faithfully

Mrs Julie Williams
Senior Road Safety Officer

I give permission for (name) to take part in the road safety scheme. I understand that my child will be properly supervised.
