KS2 Children's University Graduation Ceremony

This year we will be holding our annual Children's University Graduation Ceremony at school. It is scheduled to take place on **Friday 12th July, 2:30pm** in the school hall. In order to ascertain which pupils are eligible for graduation, we urgently need CU passports sent into school by Friday 28th June. Pupils can then be informed about their level of graduation. Parents and families are welcome to attend the ceremony to celebrate the children's success with learning beyond the classroom.

Team LGFG Olympics

Information has recently been e-mailed home to all families regarding this year's Saddleworth Olympics. The team will also be at our Summer Fair so that you can register and sign up to this year's sporting events.

Thanks to the sales, savings with prices, being off price and making friends along the way, with some the things you can do help yourself personally!

Picnic Lunch

Weather permitting, we will be holding our Picnic Lunch on Tuesday 25th June. Children who are on school dinners will be served a picnic style buffet to be enjoyed on the school field. Picnic blankets are welcomed and should be brought into school that morning.

Kingswood

Year 6 will return from Kingswood today with lots of washing but still in one piece! They tell us they had a fantastic time and enjoyed raft building on the lake, making their beds (!) and the campfire to name but a few activities. Plans are already in place for next year's residential and a meeting is scheduled at school for our current Y5 pupils and their parents on **Wednesday 4th July at 6:00pm** in order to gauge interest. Please return the slip that will soon be sent home so we know who to expect.

Friends of Friezland Summer Fair

This year our Summer Fair will be held on **Saturday 29th June, 12-3pm**. There will be a bouncy castle, tombola, BBQ and a bar as well as a variety of stalls and games which promise to entertain both young and old alike for the afternoon. Our Choir and Dance Teams will also be performing across the afternoon. Bring on the sunshine!

Frosties

From September, our Frostie Breakfast Club will open at the earlier time of 7:30am. Prices will be adjusted accordingly and will be published on our website soon. We hope the earlier start will help our working families with their child care arrangements.

Outdoor Learning Day

Thank you to families who have made a donation towards this day via Eduspot. The money will be used to cover the cost of materials and campfire snacks during the day (Friday 28th June)! Please ensure your child has a change of trousers and wellies / boots in school on this day as some activities like den building will be more comfortable and safer out of uniform. We are also still collecting old bedding and sheets - donations to the office please.
