Summer 2 Provision: Key Workers

Dear Families,

Whilst last night's address from the Prime Minister indicated that schools might begin a phased re-opening from June, we currently have no further information at the time of writing this letter. Therefore, we will continue with our provision for those children who absolutely need to attend as their parent / carer's work is critical to the COVID 19 response (Key Workers) or who are classed as vulnerable. Please note that this provision is NOT to support parents whilst they 'work from home' nor is it to reduce the number of children at home if a younger/older sibling is currently at home being cared for by a parent/guardian. **If children can stay safely at home, they should, to limit the chance of the virus spreading. Please understand that this advice has to be strictly followed in the interests of others and in order to manage any risk.**

As the current context continues to change daily as do people's work circumstances, we will continue to plan provision, two weeks at a time. As with the Easter break, staff are willing to work during May half-term if provision for Key Worker children is required. If your work is critical to the COVID-19 response and / or your child meets the vulnerable criteria and you require school provision, please duplicate the information below or copy/paste the grid into an e-mail to info@friezland.oldham.sch.uk to indicate your requirements for the dates shown. Merging with a partner school remains an ongoing option and you will be informed if Friezland School will be pairing with another setting. Please be aware that the provision provided will not be like a typical school day. Provision currently runs, 8:45am-3:20pm and the children are grouped together regardless of age. Staff are working on a skeleton rota as they too manage their health, wellbeing, childcare and working from home arrangements.

Thank you for your ongoing support.
Miss Rachael Swaby (Headteacher).
