# BIG things

come in small packages!

**Although we are one of Oldham's smallest primary schools, we set high expectations and our pupils achieve well in many different areas of school life.**

We aim to develop well-rounded, resilient individuals who demonstrate mutual respect and tolerance and who have a positive impact on their community and the wider world.

We place an emphasis on outdoor learning, including Forest Fun!

Whilst COVID may prevent us from meeting face to face, please do get in touch!
