

Friezland Primary School

February 5th 2021

COVID 19 Updates

Thank you everyone- our pupil numbers this week have remained stable with many of you now able to support part-time attendance.

As a reminder, if you are able to work from home then your children should be kept at home with you. These changes are for the short-term and if we don't work together, it will inevitably be longer before we can all return to full time education in school. Thank you for working with us during these challenging times.

Remote Learning Tips: Digital World

If you have Siri, Alexa, Google or similar at home, use them to your advantage to support home learning! Ask how to spell a word! Check a French translation! Use it as a thesaurus: 'Alexa can you give me an alternative word for big?' Use it as a timer when doing rapid recall maths or ask a question like, 'Siri what is 7 x 9?' and see if your child can shout out the answer quicker! They're also great for checking answers, 'Google, what is 18% of 240?' or get the answer first and then ask your child to show their working out to prove the answer is correct!

The Annual Friezland Flip

It's going to be flipping brilliant!

This year, Shrove Tuesday falls in half-term and as we can't get competitive at school, we're challenging our pupils to take on the challenge from home! The challenge is how many pancake flips you can do (half-rotation) in one minute. You can use a real pancake (but not a mini scotch one) or similar (we normally use wraps at school). Feel free to film the event or take a photograph and then upload it to your child's Google Classroom so we can check the scores for this year's champions, to be revealed after half-term!

We've e-mailed sponsor forms home and are asking you to collect sponsorship per flip or for a fixed amount. Please collect sponsorship from your family and friends in a safe way. Any donations can be made through your Eduspot account by clicking 'Friezland Flip'. It's set at £1.00 but you can overtype the amount as required. Thank you!

Learning WOWS!

Friezland pupils: we are so proud of the way you are taking lock down in your stride!

In Class 1, Kallam has created a super rainbow rocket; Meredith made a fantastic creative alien out of play-doh; Liberty and Alphin created enthusiastic 'Express Yourself' dances for Mental Health Week and Emma has been investigating the birds in her garden during the RSPB birdwatch.

In Class 2, Reuben has impressed the adults with his focus and determination this week; Hugo has presented some excellent sentence work; Hudson has worked hard on super subtraction work, using the counting back method on a number line and Steele has been working extra hard with all his home learning and has been turning in some fantastic pieces of work!

In Class 3, Maylin acted out her Dragonese conversation; Connor Calum, Keira, and Scout turned in some superb Maths work; Cameron has completed some beautiful handwriting practice; Orla and Maisie gave fantastic contributions to our Healthy Eating Zoom with Primary Stars; Harry's bar model fractions were both colourful and accurate and Esmail showed great enthusiasm in a fractions game!

In Class 4, Isabelle has produced some great work in English and Carter and Leah P contributed well to our English zoom lesson; Oliver has worked hard in history on his report about the closure of the Oldham Cotton Mills and Elijah has completed some excellent fractions work!

Dates for the Diary 2020-2021

February
