

# Friezland Primary School

February 26<sup>th</sup> 2021

## COVID 19 Updates

As you will be aware, this week, the Government shared their 'roadmap' through the COVID pandemic for the next few months. It starts with Primary Schools opening to ALL pupils from Monday 8<sup>th</sup> March. Class teachers will write to the children in their class and Miss Swaby will be writing to families in order to share our plans and expectations. We are really pleased that we can get all our children back into school but there will still be lots of restrictions and we ask for your full support of the procedures we put in place in order to ensure the safety of all. We all worked in partnership during the autumn term to ensure a safe return and we feel positive that we can do the same again. Please look out for information e-mailed early next week and take the time to read, digest and ask any further questions. Thank you.

## Friends of Friezland

We have just purchased a further 10 I-pads using funds raised by our Friends of Friezland. Not only do we now have a full class set, we also have additional I-pads that will be used for group work. Thank you to the amazing team- we're very lucky- some schools don't even have a PTA! Here's to some exciting face-to-face events in the not so distant future.

## The Annual Friezland Flip

So many of you took part this year and lots of you shared your photos and videos on your Google Classroom. Thank you to everyone who has donated sponsorship money via. If there's anything outstanding, please can we ask that it is donated by Friday 5<sup>th</sup> March. After this time, the link will disappear and we'll share the total raised. We've given some special mentions on this week's virtual assembly to those children who did really well and shared their Friezland Flip success via their Google Classroom.
