

COVID 19: Friezland Expectations for Families v2

Please help us to make the transition back to school as safe and smooth as possible.

- Please follow Government handwashing advice and wash your hands before leaving for school and on return home.
- The wearing of face masks/shields outdoors is optional but where social distancing can't be adhered to, they are welcomed.
- If your child feels unwell, please do not send them to school. Ring the school office to inform us of the absence.
- Please adhere to your child's allocated drop-off and pick-up times and the location.
- Please use the entrances (Church Road / High Grove Road) nearest to your child's drop-off point.
- We know different times / entry points may be difficult if you have children in different groups. Where this is applicable, choose the safest route and option.
- Only one grown-up per family, allowed on the school grounds. Any other member should wait beyond the school grounds.
- Please adhere to social distancing within the school grounds and stand in your family bubble, 2m apart from another bubble.
- The children won't be asked to line up. Instead a member of staff will be on the yard to direct them, when it's time to go in.
- Please ensure pupils only bring **essential items** to school.
- Please do not allow children to use outdoor equipment e.g. MUGA / adventure trail / willow sculpture.
- Please say goodbye to your child outside. Do not try to enter the school building other than in an emergency.
- We are unable to offer the use of our toilets for non-pupils/parents.
- Please use the main entrance intercom if you need to **urgently** speak with the school office. Otherwise, please ring / e-mail school and we will get back to you as soon as we can.
