March 19th 2021

COVID 19 Updates

This week we have continued with a very positive return to school but inevitably, we have already seen family bubbles having to self-isolate and follow Government procedures. As before, please communicate with school, anything COVID related. Whether it be that a pupil or household member has presented with symptoms, is awaiting a test result, has been contacted by 'track and trace' to self-isolate or has to isolate prior to a medical appointment. This will ensure we work in partnership to support the safety of all. For any child who has to self-isolate due to the COVID restrictions, remote learning will be set for them by their class teacher and uploaded to their Google Classroom. We're making the most of every minute of the day so arriving at school on time, is crucial in order to prevent any further loss of learning. Thank you for continuing to support our school routines and expectations.

Frosties: Booking-in

Please continue to send booking forms for both breakfast and afterschool club, in with your child. Alternatively, you can pass them to a Frostie member of staff when dropping or collecting from the club. We know family circumstances are still changing frequently and that many of you are still working from home. We will be as flexible as we can be to support you. If your requirements change or you need to add to your booking, simply send in another form with the additional date(s). Booking forms can be sent home with your child and are also available on our school website.

Keeping in Touch

Do we have up-to-date contact details for you?

If you need to contact a member of staff for any reason, please either ring school and leave a message or e-mail info@friezland.oldham.sch.uk (this e-mail is the only one that is checked throughout the school day). We're continuing to reduce the number of staff on the playground at drop-off / pick up in order to reduce contact between adults. We know this isn't our usual style but it is for the safety of all.

Break the Rules Day

Our School Council have done a great job planning and helping to run our 'Break the Rules Day'! They have acted as rule enforcers today and have issued anyone breaking the rules with a fine- staff included! They have raised over £200 in fine fees! The event has been a fun and enjoyable event with a learning focus. Each class has spent time this week discussing the importance of rules and expectations (in an age-appropriate way) and considering questions such as:

- Are rules important?
- What would happen if there were no rules?
- What happens when there are too many rules?
- Is it okay to not follow rules?

You might wish to continue these discussions at home to see what everyone thinks!

The School Council Present: Easter Bubble Bingo

Please bring donations to school on **Friday 26th March** so we can quarantine and make up the prizes. Any suitable chocolate Easter donation will be gratefully received: an Easter egg large or small, chocolate bunnies or Easter chick gummies! Please ensure that items containing whole NUTS are not included.
