Do you know what the School Council are supporting this half-term? To find out the answers, log into your child's Google Classroom account each week to watch our virtual Celebration Assembly!

Y6 Kingswood 2021

We are continuing to make arrangements for our Y6 residential in the hope it can take place this year. As our residential is held towards the end of Y6 as a celebration of time at Friezland and an opportunity to develop some 'Y7 ready' skills, we've been able to move our booking to after the Government's proposed June restriction lifting. In order to share key information about the event, Miss Hill has organised a Zoom meeting for **Wednesday 9th June, 5:00pm**. Rest assured, if the event can't take place, refunds will be issued.

Y5 Kingswood 2022

In preparation for Kingswood 2022, Miss Hill will be hosting a Zoom meeting for current Y5 families so that you can gain an insight to the residential prior to committing. This will be held on **Wednesday 23rd June, 5:00pm**.

Zoom links for the meetings will be e-mailed to families

Class Workshops

With the absence of school trips due to the COVID 19 restrictions, class teachers have planned a class workshop linked to current topics, to help bring learning to life and provide hands-on experiences for the children. Details have been sent home for each class. In order to cover the cost of the experiences, as we would with class trips, we have asked for a contribution from families which can be paid for via your Eduspot account. Thank you for your support, as without contributions, we are unable to cover the cost of the workshops.

Parent-Teacher Meetings

Thank you to everyone who attended a parent-teacher meeting over the last two weeks. We hope you found the meeting useful and were reassured with regards to how your child has settled back into school life during these challenging times. As always, if you or your child need to discuss something with us, please don't wait for a parent-teacher meeting. End of year school reports will be sent home on Friday 16th July.

COVID 19 Reminders

Thank you for continuing to support our 'COVID safe' school routines and expectations. Although COVID will be here to stay, as restrictions are slowly lifted, we are starting to see some light at the end of the tunnel. We are anticipating that regardless of restrictions, many COVID safe school routines will remain with us, at least for the remainder of the school year. As we plan the usual end of year events, we'll share the dates with you and we'll have a plan B in mind, should it be required. As before, please communicate with school anything COVID related. Whether it be that a pupil or household member has presented with symptoms, is awaiting a test result, has been contacted by 'track and trace' to self-isolate or has to isolate prior to a medical appointment. This will ensure we work in partnership to support the safety of all.
