

Friezland Primary School

June 18th 2021

Bag 2 School Collection

Our Friends of Friezland have arranged a 'Bag 2 School' collection on Friday 9th July. Donations of good quality second-hand clothing will be gratefully received ON THE DAY ONLY and should be placed at the rear of school on the car park by 9:00am. We will receive cash according to the weight of the items. The more we collect, the greater the fund! A flier and collection bag will be sent home with your child.

COVID 19 Updates

Unfortunately, COVID 19 positive cases continue to rise in Oldham. We're doing everything we can here to keep safe and remain in bubbles so that any impact is limited. Please keep communicating with us if you need to report a case or contact or indeed, if you need further advice and are unsure what to do next. We're grateful of your continued support during what continues to be a challenging time for all.

Year R & Year 6: Height & Weight Checks

Every year in England, school children in Reception and Year 6, have their height and weight checked as part of a national programme to inform Public Health England practice and to help improve health care and services. The data is anonymized for use.

If you are happy for your child to be measured, you do not need to do anything. If you do not wish to give consent, you MUST contact the team on 0161 470 4324. The Health Team will be attending Friezland on Monday 5th July. A letter with further information will be sent home with your child, next week.

Friezland School Lottery: Gotta be in it, to win it!

With the absence of many FOF events this year, remember our school lottery is COVID safe and as well as providing school with a proportion of the ticket sales, it also provides families with the chance of winning big! With tickets costing £1 a week, visit <https://www.yourschoolottery.co.uk/> and search for Friezland or follow the link on the poster sent home with the newsletter. We need your support more than ever so encourage friends and family to sign up- no tombola item (which you then win back) required!

Moving On! Moving Up Day!

The School Council have this week, e-mailed home their poster and message regarding their last event of the school year. Who will your child be? Donations on the day, will be gratefully received.

Outdoor Learning Day

It stayed dry and we all had a fantastic day! The children had lots of fun designing, exploring, painting, creating, constructing laughing and SMILING! Thanks for supporting the event. We'll be placing our stones and pebbles around the local area over the next few weeks. See if you can spot one and if it makes you smile!

23rd End of Summer Term 2 (FRI)

Healthy Snacks Please

As a Platinum Healthy School, we request that break time snacks are healthy choices. If your child has crisps or chocolate with their packed lunch, please remind them to eat them with their lunch and not at break time. Several pupils have raised the unfairness of seeing others eating sweet treats when they are eating a healthy snack! Thanks for your support.
