

Friezland Primary School

July 2nd 2021

School Lunches

We brought our School Meal Service in-house on the 1st July! Our new menus will be shared in September! Before then, we'll be sharing samples with our school dinner pupils to gain their feedback on some new products. **The cost of a school meal has reduced to £2.50** (Eduspot has been adjusted). Please continue to support the service as this will ensure it is here for years to come. As per our policy, two-weeks' notice is required for any changes to your child's lunch time arrangements.

Eduspot Accounts

As we approach the end of the school year, please ensure your Eduspot account is brought into balance. School meals and Frosties should always be paid in ADVANCE of using the service.

Middy Supervisor: Join the Team!

Friezland are looking for a friendly and child-centred Middy Supervisor to join our team in September. The role involves supervising our children during their lunch break and is a term-time only position. If you know anyone who may be interested, ask them to contact school to enquire.

Friends of Friezland: Guess the weight of the jar!

This week our amazing School Council and Friends of Friezland are working together to launch the last competition of the school year! Each year group has a goody jar in their classroom, filled with prizes and treats. For £1 a guess, the children can guess the weight of the jar from a pre-selected list. The winner (or closest if not all weights are sold), gets to take the jar home at the end of term! Please support this event by sending the money to school with your child (in a labelled envelope for younger children).

Bag 2 School Collection

Our Friends of Friezland have arranged a 'Bag 2 School' collection on Friday 9th July. Donations of good quality second-hand clothing will be gratefully received ON THE DAY ONLY and should be placed at the rear of school on the car park by 9:00am. We will receive cash according to the weight of the items. The more we collect, the greater the fund!

COVID 19 Updates

Thank you for keeping your child at home if they feel unwell, regardless of symptoms. This is helping us to maintain healthy 'bubbles'. As a reminder, if your child has to isolate due to COVID, remote learning will be set for them by the class teacher. Remote learning isn't set for absences other than those which are linked to COVID isolation. If they are unwell, there is no expectation to complete home-learning. Please keep communicating with us if you need to report a case or contact or indeed, if you need further advice and are unsure what to do next. We're grateful of your continued support during what continues to be a challenging time for all.

Year 6: Leavers' Lunch

We are currently planning an outdoor Leavers' Lunch for our Year 6 pupils, on **Wednesday 21st July, 12:30-1:15pm**. Due to COVID restrictions, each pupil is allowed to invite **ONE adult** guest only. The adult meals are charged at £3.50 and must be pre-booked via your Eduspot account. They will appear as a SHOP item from Monday. This event will obviously be weather dependent and could be cancelled at short notice. Further details will be sent to Year 6 separately.

Dates for the Diary

July
