

Friezland Primary School

November 26th 2021

'Healthy Me' Week

Next week, as part of our PSHE Education curriculum, we will be holding one of our 'Healthy Me' weeks. During this week, assemblies and class learning will focus on a range of important issues aimed at promoting pupil wellbeing and safety in a range of contexts. This, our first 'Healthy Me' Week of the year, will focus on the topic of: Drugs, Alcohol & Tobacco (DAAT). The topics are taught in an age-appropriate way to each class and learning will continue across the spring term as part of Science and PSHE Ed lessons. Accompanying this week's newsletter, is an overview of the coverage for each class to help inform and reassure you. If you have any questions, please speak to your child's Class Teacher in the first instance.

Class 1 & 2 Nativity

This year, we are aiming to include a live audience for our Christmas Nativity: The Landlord's Cat. Further information has been emailed to Class 1 and 2 families. Please read the information carefully, prior to booking tickets via your Eduspot shop account (available from Mon 29th 10:00am).

Friezland Santa Dash 2021

On Tuesday 14th December, the children will be taking part in our annual festive Santa Dash around the school grounds! As they will already be wearing their Christmas jumpers that day, the children are also encouraged to bring in a Santa hat to run a mile. **Everyone will take part but if your child would like to receive a 2021 Santa Dash Medal as a souvenir, please log into your Eduspot shop account and add one to your basket before the 14th December.**

Break the Rules Day

The event was a great success- we raised £200! Well done to our School Councillors who organised a great day.

Stay safe

Please can we politely request that you don't allow your child to climb our fence or walls on their way in to school or home. Apart from the obvious risk of accident, we are also seeing unnecessary damage to our school premises. We have also reminded our children to leave our school gates safely as both exits open up roads which can be very busy, especially at drop-off/pick-up times. Our Governors have made several requests to Oldham Council for safety railings to be put in place but unfortunately, the requests were dismissed owing to the width of the footpaths. Thank you for supporting our safety messages to the children.

Eduspot Accounts

Please can we request that ALL Eduspot accounts are balanced by the 30th November. We have seen an increase in debt for both school dinners and Frostie bookings and **both services are a 'pay-in advance' service.** Please check your account and adjust accordingly. Unfortunately, from the new year, we may need to withdraw services for families who accrue debt.

Friezland Football WIN!

Last Saturday, some of our Y6 footballers represented Friezland at Oldham Athletic where, as well as watching OAFV Port Vale, they also had the opportunity to play a friendly match against Willowpark Primary Academy, on the pitch at half-term! It was a 5:2 win for Friezland and the team did us proud. Thank you to all our families who braved the cold and rain to support the event!

Dates for the Diary

November
