

Information for Parents and Carers
Class 1: Spring Term 2

Superheroes

Personal, Social and Emotional Development

- * Friendship and sharing.
- * Finding out about our family.
- * Learning about our community and culture.
- * ZAP – solving problems.

Communication, Language and Literacy

- * Rhyming work.
- * Writing instructions and lists.
- * Following recipes.
- * Using capital letters and full stops when writing sentences.

Mathematics

- * Ordering numbers.
- * Addition and subtraction.
- * Problem solving.
- * Telling the time.
- * Money (practically in the role play area).

Physical Development

- * Indoor – Gym floor routines (Wednesday).
- Bat and Ball skills (Thursday).
- * Forest Fun – den building (Tuesday).

Understanding the World

- * Finding out where our food comes from.
- * Using senses to explore fruit and vegetables.
- * The Easter Story.
- * Magnetism.

Expressive Arts and Design

- * Role play – act out stories we have been reading.
- * Observational drawing.
- * Music – long and short sounds.
- * Role play area – Superheroes headquarters.

Ways in which you can help at home

- * Show your child different coins and talk about how many pennies make the same amount.
- * Create lists of words to rhyme with – cat, mat, pin, tin, lad, pad, and dog, log.
- * Talk about where the food you are eating has come from.

We need

- * All children need an indoor PE kit and wellies and a raincoat for outdoor play.
- * Examples of food packaging from around the world.
- * Outdoors - We are trying to build up our outdoor resources if any one has any clean drain piping (water play), milk crates or ropes (den building) they can donate.
