The things that you value the most about Friezland Primary School...	The things that you feel we could do better...
<p>A sample of responses in no particular order:</p> <ul style="list-style-type: none"> - Good communication -Small size -Quality of learning opportunities -Extra-curricular clubs -Happy children -Inclusive environment -Staff are friendly, welcoming and approachable -Community and ethos -Flexible before and after school club -Positive parent involvement -Promotes positive behaviour and kindness -Outdoor space and varied learning opportunities -Considering the size of the school, you do a lot -We are sad that some staff are leaving but know the school will carry on the good work -Family atmosphere -So far so good- we are happy we chose Friezland 	<p>A sample of responses in no particular order:</p> <ul style="list-style-type: none"> -More school trips -Further supporting the needs of SEND children -For parents to be able to see more of the work the children do -More technology- it changes fast! -Have a school 'wish list' which families could support school with (like a wedding gift list) -More events for parents to attend -Outdoor learning is great- even more of this please -Managing children's behaviour -Allow the children to play on the field before /after school. -Consider if/when children should be made to finish their work -Support children to choose a balanced meal -Greater variety of extra-curricular clubs

Thank you for taking the time to complete our annual questionnaire via the Google Form link we sent to you. We have read and reviewed all your responses and, along with the feedback from staff and pupil questionnaires, we will use the information to continue to ensure that Friezland Primary School remains, 'A Family Committed to Making a Difference'.

In response to your feedback:

*We'll continue to welcome you into school for a range of events and activities so that you can see your children's learning experiences, first-hand.

*We will continue to offer a range of visits and visitors for each class, across the school year. We will try to minimise any costs passed to families. As a small school, the residential will remain annual for Y6- it's a fantastic experience but it is a significant cost and staff attending volunteer and give up their own time.

*We'll look to establish a 'wish list' for families to contribute. A great way you can already do this is to donate an Amazon voucher as part of our birthday book scheme! We use the vouchers to buy books for the English scheme of work so we have more copies per class.

*We will explore options for a range of extra-curricular clubs that aren't sport-based. We're only a small staff but we'll offer what we can.

*We will continue to expand our outdoor learning opportunities for all year groups.

*We will continue to share our school dinner menus with families and support children with their meal choices- our fruit and salad bar is well used by most children.

*We will continue to develop the ways in which we effectively communicate the work of our Governing Board to you.

*We're part of the Government's 'Connect the Classroom' scheme and will be receiving a wifi upgrade over the summer. We're looking to invest in further I-Pads/tablets.

*Our children are welcome to use the school field in the morning if they are supervised by a grown-up. If our field becomes too muddy, we will ask you not to use it to avoid accidents and minimise the mess in school! Frosties have priority after school, so we ask that you leave promptly after home time.

*We are planning our 2023-24 Parent/Carer Workshop offer. We will look at the different topics we can offer and will try to vary the days/times to ensure they are accessible to as many families as possible.
