

Home Learning Challenges

Class 4 – Autumn Term 1

Shoobox Rainforest!

Can you re-create the Amazon rainforest in a shoebox? Use what you know about the **LAYERS** and use a mix of paints, colours and objects.

Think about using paint, coloured paper, fabric, string, lollysticks, pebbles and twigs.

- Choose a minimum of 3 activities each half term (that's about 1 every 2 weeks).
- How can you **present** your learning?
- Can you use ICT to help you too?
- Be creative!
- We will celebrate your **HOME LEARNING CHALLENGES** in class!
- Share your work on **GOOGLE CLASSROOM!**

Mapping!

Can you locate the rainforests of the world? Where are they? Can you use an atlas or the internet to help your research? Think about countries and continents. What do you know about the size of the rainforests? Do they have rivers? Can you draw maps, make a mini atlas, or print and colour in?

Rainforest Animals

Rainforest Animals

Choose an animal that lives in the Amazon. Could you paint or draw it? Could you create a fact file about it? Could you make a poster, power point or a short video? What can you find out about its appearance, habitat, diet... is it endangered or flourishing?

'What If?'

What if you were heading off on an adventure in the Amazon? What would you pack in your rucksack? What would you wear? What would be your top 5 pieces of equipment? What would you write in your first letter home?

You could make a poster, write a list with an explanation, make a short video... be creative!

Words, Words, Words! CHOOSE...

- Can you make a **crossword** with words and clues about the rainforest?
- Can you make a **wordsearch** with hidden rainforest words?
- Can you make a poem or a rap about the rainforest?
- Can you make an acrostic poem?
