## Freddy Fit!

What an exciting day we've had!

Every class has had a session with our visiting Fitness expert, Freddie, today. We had a focus on **resilience** which means the children were not only building fitness, but *trying* some tricky skills over and over, without giving up, so that they could improve! They also revised their learning about healthy eating and the links between exercise and a healthy mind.

## The Friezland Flip!

Today, our pupils have taken part in our annual pancake flipping contest! They were ably assisted by our School Councillors who have helped the event to run smoothly. Congratulations to this year's flip champions...

Reception: **Jack**      Year 1: **George**  
Year 2: **April**      Year 3: **Luke**  
Year 4: **Steele**      Year 5: **Toby**  
Year 6: **Maylin**

Thank you to Friends of Friezland for providing the prizes! Please continue to send in any sponsorship money (cash or Eduspot) by Friday 1<sup>st</sup> March and we will award the prize for the top Fundraiser in our celebration assembly!

## Team Point Winners!

Congratulations to the **RED** team who have won the greatest number of weekly team point stars this half term. Members of the RED team have their **non-uniform day on FRIDAY 1<sup>ST</sup> MARCH**.

Friends of Friezland are running a tuck shop in the shelter at the end of the day today, so bring some pennies if you'd like some treats! They will go into Frosties at the end of the day for any children in there who have brought in money.

Oldham's celebration of light, ILLUMINATE takes place over the weekend of 24<sup>th</sup>-25<sup>th</sup> February. The event starts on Saturday at 6pm with the magical Illuminate Parade from Oldham Civic Centre to the Old Town Hall.

The magical event continues into the night with a range of awe-inspiring light art installations and performances across the town centre for you to discover. The fun continues on Sunday 25 February with "By the Light of the Moon", an exciting free family event that celebrates the magical world of Moths at Northern Roots, located just near Alexandra Park. If you'd like to take part in the Illuminate parade, you can attend the free lantern-making workshops at Gallery Oldham on 10, 17, 20, 21 and 22 February.

## Can You Help?

If you have been into our school entrance, you may have noticed that we have a 36 inch TV on the wall which we use as a scrolling photo album celebrating all the things the children learn in school. Sadly, our TV has given up the ghost! If anyone is replacing their TV and wants to sell (or even donate) us their old one, we'd be incredibly grateful!
