## Brass Performance

Children in Class 3 and members of the Class 4 brass group will perform for families next Friday. Please arrive at the main entrance at 2.25pm so that we can welcome you in for a 2.30pm start. If you intend to come and haven't already booked, please click [HERE](#) so we can prepare audience seating.

## School Lunches: Keep the feedback coming!

Thank you to those who have filled in our school lunches survey – the feedback is very important to us. If you haven't already done so, please find a few minutes to provide us with some honest, anonymous feedback on [this form](#). Please note, we can facilitate a combination of School Dinners and Packed lunches across the week on set days. So, if your child is currently on Packed Lunches, we would welcome them to take up a School Dinner on one or more days.

## DLP Super Council

Last Friday, Mrs Power took our Year 5 & 6 School Councillors to Delph School to join with their fellow representatives from the DLP. The focus of the session was anti-bullying and they generated ideas which they can present to the rest of the school in an upcoming assembly. This ties in with the work we are doing across the school on **empathy** – helping learning how to recognise how other people are feeling so that we can be a good friend to them.

## Doggy Safety Message!

If you walk your dog locally and come past school at break and lunchtime, please could we kindly ask that you don't bring the dog up to the fence for the children to touch. We appreciate they may be known to some children, but we cannot risk injuries or allergies. Thanks for your understanding.
