Y3 Collaborative Art Project

Year 3 have been presented with a very exciting opportunity: to collaborate with Bright Futures School, in Greenfield, in an art project that will be exhibited in the Saddleworth Arts Trail (currently advertised) and the RHS Flower Show at Tatton Park this Summer. The project is to create an upcycled tin garden. On Thursday, our first group of pupils were given the warmest of welcomes at Bright Futures and had a super afternoon working on the project together. We can't wait to share the details with you, once the project is finished!

Summer Fair

Our annual Summer Fair is an absolute favourite of the children and is always a great family day! This year, it is scheduled for **Saturday 6th July** and we're on the look out for some helpers! Can you volunteer a few hours to give us a helping hand to make the day a success? If so, please contact Dani to find out the plans for the day and the ways in which you can help. Details are on the poster below – thanks in advance!

Thanks for your feedback

Thank you for your feedback on school lunches. If you have given your name, we will be in touch to chat through your responses. We will use the feedback to reflect on our current offer and look at next steps to maximise School Lunch uptake.

Sports Day!

We look forward to welcoming you to our sports day races next Friday 17th May. Class 1 & 2 will be 1-2pm and class 3 & 4 will be 2-3pm. Please bring a blanket or chair to sit on, and some cash for the Friends of Friezland refreshment stall! **The children should come to school in their Friezland PE kit and trainers.**

Reminders:

NO CHESS - 14th May
INSET: School closed to pupils – 23rd May

Eduspot OUT: School Spider IN!

We have exciting news, we are switching to a new communication and payment app on **Monday, 3rd June**. This means all communication will be sent, and payments collected, via this platform. We have chosen to make this switch for many reasons, not least because it is more efficient and user-friendly. **Please download the School Spider app now, so you do not miss any information about your child.**

You can download the app via the Apple Store or Google Play Store by searching 'School Spider Parents'. Please select Friezland Primary School and "Create account" using the email that you have associated with school. Detailed information will be emailed out from Mrs Baulk in coming weeks, and from 3rd June we will no longer be using Eduspot.

Mountain Rescue Fundraising Event

On Saturday 25th May Oldham Mountain Rescue are holding a special fundraising event: a **Teddy Bear Zipline** at St. Chad's Church in Uppermill. Everyone is welcome to bring along one teddy...or more... and watch them fly down the zip line! Details are on the poster below.
