## Class 3 Sporting Stars!

Over the past couple of weeks, members of Class 3 have been representing Friezland at DLP sports events. The first was a Tag Rugby taster. Daisy, Olivia B-G, Dexter, Joseph, Steele, Luke & Emma played a series of games and Mrs Power

was really impressed by their teamwork. We have a couple of very experienced rugby players on that team and it was a change of tack for them to go back to 'tag'. However, they worked brilliantly as a team and as a result, everyone improved their skills and really enjoyed it! The second event was a Tennis competition; on this occasion, Meredith, Seth P, Mollie and Jacob were a power-house team and won the competition! Well done to the children and thank you to the adults for transporting and supporting.

## Year 6 Residential

Last week, pupils in Year 6 travelled to the Kingswood Centre in Wales for their residential. Over the course of the 3 days, they had a fun-filled timetable of activities including giant buggy-building, climbing, campfire, a night walk and even a blindfold obstacle course! The Kingswood staff were wowed at the teamwork skills our children displayed, and couldn't believe the speed in which they were able to problem-solve together. The children overcame challenges and were brave - they helped each other to climb the enormous Jacob's Ladder and some even got to the top of the climbing wall, one-handed or blind-folded! Well done Friezland!

## Sunscreen Request

In the event that we have sunny weather, please apply sunscreen before coming to school. We do have a bottle in case of emergency but we are unable to apply cream to children when they all bring their own in their bags!

Thank you for your understanding.

## Football Trading Cards

Please remind your children that trading cards should not be brought into school, in order to avoid disruption to learning, arguments or upset. Many thanks.

## Class 2 Castleshaw Trip

On Thursday, members of class 2 visited Castleshaw for a day of teambuilding and Geography activities. They worked on their mapping skills, tried orienteering and built giant water ways! Thank you to the adults for supporting and well done to the children for their super teamwork skills.
