Class 3 Ancient Greeks Workshop

As part of their History learning, Class 3 had an Ancient Greeks workshop on Thursday this week. They explored artefacts like an abacus, masks, statues of Gods... and even a jar of leeches! They got into character, acting out stories about Greek citizens and played a dice game to learn about the highs and lows of ancient Greek life. Samson told us, "We really enjoyed acting out real-life stories and my favourite part was playing the game. It's good having visitors in school and it makes my learning fun!"

VE Day 80th Anniversary

Thank you for joining us for our little celebration on Thursday afternoon at the end of the day. Children have enjoyed learning about VE day and were proud to show off their bunting designs on the playground. If you are taking part in VE Day celebrations over the weekend, we hope you have fun!

Friezland Church 175th Anniversary

Friezland Church has its 175th anniversary since it was built on the 24th May this year. Celebrations will take place over the spring bank holiday with an open day on Sunday 25th May. The children of Friezland school have been invited to contribute and therefore we will be learning about the history of the local church and producing some work to share in the upcoming celebrations.
