Fun Fest Holiday Club is coming!

As you are aware, we have been working with Fun Fest with the aim of Friezland School becoming a location for one of their new holiday clubs. We are very pleased to announce that, after a very thorough process, Ofsted have given the go-ahead for Fun Fest to launch this summer. In the coming weeks, Fun Fest will share information and booking details and you will be able to meet some of the team at our Friezland Summer Friday event on 4th July. Watch this space!

The Colour Raffle!

Plans are well under way for our **Friezland Summer Friday event 3.15pm – 5.00pm on Friday 4th July**. There will be a collection of stalls, games and food on offer. After last year's success, Friends of Friezland are organising a Colour Raffle! We are kindly asking families to **donate an item for the raffle in the colour of their children's team on Thursday 12th June**. In exchange, children can wear an item of clothing in their team colour, with their uniform, on that day. Thank you.

Reminder

Father's Day Breakfasts: 19th & 20th June. Book on School Spider

INSET Day: School will be closed to children next Friday 13th June for an INSET day (this will be Whit Friday).

Class Photos

The photographer visited this week to take class photos. For you to purchase copies, there is a specific class code that has been sent out via School Spider. You will need to order on the HappySnapz website and if you order by 20th June, there is no postage charge. Happy scrolling!

Outdoor Learning Day

On **Thursday 10th July**, the children will enjoy our annual Outdoor Learning Day (weather permitting). We are busy making plans, and as always, the day will include a Den-Building session. Do you have any old sheets or duvet covers, tarpaulin, thick rope or tent pegs that you could donate to top up our resources? If so, we would be really grateful! Thank you.

Class 3 & 4 Summer Spelling Bee

Next week, children in Class 3 and Class 4 are invited to take part in our Summer Spelling Bee. Their class competitions will be held first, with a final the following week for the winners of each year group. Children have been given a booklet to take home to practise and here is a [spooky spellings game](#) to practise online!

SPAG Workshop Feedback

This morning, we held our first SPAG workshop for Year 2-5 parents with the aim of sharing some of the key elements of the English curriculum and some useful resources. Thank you to the families who attended – the feedback was really positive, with parents expressing that it was a really helpful insight into what the children are learning and they have a better understanding of the grammar we teach and where to find helpful resources online. We will run the workshop again in the autumn term and offer some different times so that as many families as possible are able to attend around working hours.

Dates for the Diary
