Science Day at Friezland

In addition to our science topics, we enjoyed a Science Day on Wednesday along with schools across the borough as part of the Great Science Share. In Class 1, children used their observation skills to look closely at

flowers and made an observational drawing, talking about the importance of drawing exactly what we see and how flowers are all slightly different when we look closely at them. Children in Class 2 used the book *These Chips Can* as a basis for learning how life has changed since the invention of the micro-chip. Class 3 focussed on scientific drawings inspired by the work of Charles Darwin, and Class 4 learned about the affect of climate change on coral reefs, carrying out an investigation about coral bleaching using skittles as a model.

Friezland Summer Friday is Here!

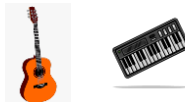

Thank you all so much for supporting our Summer Friday preparations with your generous donations. It is now time to come and enjoy! We will dismiss the children *today* through the **main entrance** and then you can enter the playground through the playground gate. **Choir will perform at 3.45pm**. Please bring **cash** for the stalls!

Outdoor Learning Day: 10th July

On Thursday, all of the pupils will take part in our annual Outdoor Learning Day. Teachers have been preparing a host of exciting activities and the children will rotate through the day enjoying art, science, team-building, sport and of course den-building. **Please can all children wear their school PE KIT on this day.** If anyone is able to donate tent pegs, thick rope, tarpaulin or large sheets, they would be gratefully received!

Keyboards & Guitars Performance

A reminder that all our keyboard and guitar players will be performing in the school hall for families on **Wednesday 9th July**. There is no need to book, just come to the main entrance on the day.

End-of-year Survey

Please take a few minutes to complete our end-of-year survey [here](#). Your feedback is important to us and enables us to reflect on what's working well and how we can continue to improve. The survey will close on **Monday 7th July**. Thank you.

Scooters, Helmets and Board Games!

Do you have any scooters and helmets at home that your children have outgrown? If so, please could you consider donating them to Frosties. Similarly, we are collecting board games to refresh our Frosties stock so if you have any that are sitting idle at home, we'll gladly accept them! Thank you.

DLP Cricket

On Wednesday, a team of Year 3 and 4 pupils represented Friezland at the final DLP sport event of the year. Luke, Darcey, Fred, Hugo, Emma, Alphin, Bella and Daisy headed to Delph to play with children from across the partnership. They had a wonderful time practicing bowling, batting and fielding skills. The children played 4 games against other DLP schools, and Luke won a sportsmanship

award. Mrs Cookson was so impressed with their skills, behaviour and teamwork – they were great ambassadors for Friezland. Well done everyone!

Term Dates 2025-26

Please see attached our term dates for the coming school year. Monday 1st September is an INSET day; **pupils start on Tuesday 2nd September**. There are 3 further INSET days when school will be closed to pupils:

- Friday 24th October 2025
- Friday 19th December 2025
- Monday 5th January 2026

These staff training days are attached to school holidays, which provides an opportunity for families to travel to/from holidays, without affecting your child's school attendance.

Dates for the Diary

July

4th Friezland Summer Friday 3.15 – 5.00pm (**CHOIR 3.45**)
