First Round Success in Junior English Football League!

This week, Charlie, Jacob, Kamal, Luke, Oliver, Seth and Steele from Year 5 and 6 took part in round 1 of the English Football League Kids Cup in association with Oldham Athletic Community Trust. Round 1 was the local heat where we played other local schools. All the children played so well and they won all their matches... Jacob even scored a hat-trick in the first match! The teamwork the boys displayed was excellent and Charlie has been awarded Player of the Competition due to his fantastic goalkeeping skills. We now progress through to the Oldham round which is the next stage, at the end of the month. Well done team Friezland!

School Council Elections

The School Council elections took place this week where the nominees shared their manifesto speeches with their classmates and younger pupils. There were some really great ideas for future events and fundraising and we look forward to the newly elected councillors putting their ideas into action. Congratulations to Max and Kamal in Year 6, Luke and Emma in Year 5, Lilly and Samson in Year 4, Jacob and Monty in Year 3. The new councillors' first big task will be to plan Break the Rules Day for Friday 28th November. WATCH THIS SPACE!

Halloween Party

The Friends of Friezland Halloween Party was a great success. Everyone had a super time while raising money for school. There were spooky costumes plus lots of dancing and even karaoke! Thank you to everyone who attended and to all the FoF volunteers who helped to run the event. An amazing £1,390 (subject to a parents generous match funding approval) was raised! Part of this fundraising will pay for a visiting theatre to come and perform a Christmas Show for all the children in December.

Open Morning for Prospective Parents

We have another Open Morning for prospective Reception 2026 families at 9.15am on Tuesday 18th November. Please spread the word with family and friends.

Anti-Bullying Week: Odd Socks Day

Odd Socks day on **Monday 10th November** marks the start of Anti Bullying Week. We want to encourage the children to celebrate what makes them individual and unique so please come to school in your oddest odd socks!

Winter Coats

Please ensure that children are bringing a warm **waterproof** coat to school **every day**, now the weather is changing. Thank you.

Clothes Donations

Thank you for your clothes donations; we raised nearly £200 for Friends of Friezland whilst also having a good clear out! All the money raised by FoF helps the school with much needed funds to enhance all our pupils' experiences whilst at Friezland.

Year 3 & 4 DLP TT Rockstars Competition

The DLP Times Tables Rockstars competition for **Year 3 and Year 4** children runs for the week beginning 17th November. This is the first of our termly competitions, having won the Summer competition last year, we've set ourselves a high bar!

We will be up against all the other schools in the DLP, so get practising!
