World Book Day

What a wonderful World Book Day we had on Thursday! We began the day with an assembly and the children were really excited to parade their costumes so that everyone could enjoy each others' choices. The day included Team Story-time with each of the class teachers... Miss Kay choosing to 'act out' Tyranosaurus Drip with a narrator due to the challenges of reading inside an inflatable suit! There was lots of book-talk related activities throughout the day and it was a real delight to see how the costumes inspired so much imaginative play during breaktimes.

Character Cups!

Wow! We were absolutely blown away by the incredible array of characters that were created for our World Book Day Character Cups! All the staff were amazed by what the children were able to create and it was very difficult to choose any stand-out ones. However, the following children have been awarded a 'Special Mention' certificate for their creations: **Olivia H, Jonah B, George S, Samuel RW, Bella, Meredith, Noah, Poppy P, Hugo and Alfie L.** We hope the children enjoyed making their cups and choosing one to take home and enjoy the treats. Thank you to families for supporting us with this event. You have raised **£160!**

Friezland Flip

Thank you to Friezland families for your support of our Friezland Flip. You have raised an incredible **£1223.00** which will go towards enhancing resources and experiences for the children in school. A certificate and a little prize have been awarded to the top 'flipper' in each year: **Daisy W, Samuel R-W, Sydney, Jamie, Lilly, Oliver W and Charlie.** We also awarded a certificate and a little prize to the top fundraiser: congratulations to **Arthur W** who raised an incredible **£165!**

Class 3 visit Manchester Museum

Class 3 had an incredible time at the Manchester Museum last Friday. They were able to explore the whole museum to see everything from stuffed animals to a life-sized dinosaur skeleton! To support their learning in history, the children went into the Ancient Egypt exhibition, where they went on a scavenger hunt, touched some REAL artefacts that were 4000 years old and even saw a REAL mummy! The class were very knowledgeable, and the museum guide was very impressed with the children's expertise!
