School Dinner Tasters!

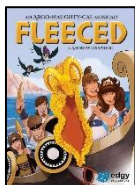

Would your child like to TRY a school dinner, but is unsure about moving away from packed lunches? Mr Tollett is offering a 'taster' dinner on **Tuesday 7th, Wednesday 8th and Thursday 9th July** (next week) when your child can try a **small** portion of school dinner but still bring their packed lunch. The cost will be £1.50 and we ask you to book in advance on School Spider.

Mr Tollett is working on his new menu for Autumn. We will send it out to you on INSET day on Monday 1st September. From that date, you will be able to book school dinners on School Spider. Please remember that if your child is currently in **Year 2**, you will need to book and pay for their school dinners from September.

Move-up Mornings

It has been a pleasure to see the children working in their new class groups on our move-up mornings this week. The children have taken the changes in their stride and there are lots of positive and enthusiastic voices talking about how much they are looking forward to September! We have also welcomed our new Reception children for their first visit. They will be back for an afternoon of Forest Fun and to meet their buddies next week. We hope the Year 6 children had fun at their secondary school visits and that they enjoy the final couple of weeks at Friezland.

Leavers Celebration at Friezland Church

Friezland families are warmly invited to join us at our annual Leavers Celebration on **Friday 17th July**. We will gather in Friezland Church **9.30 – 10.30am** to wish our Year 6 children the very best before they head off to secondary school. We will share some songs, enjoy performances and hear from the children and school adults. We hope you can join us! Parents of our Year 6 Leavers are also invited to join us for **Leavers Lunch** at 11.45am on the same day. Anyone who has not yet booked, please do so on Spider asap.

Y5 Science Day

Last week, our Year 5 pupils were invited to attend a Science afternoon at Hulme Grammar School in Oldham. This was a great opportunity for the children to experience working in the environment of a secondary science classroom, and had a great afternoon carrying out physics and chemistry experiments.

Can you help?

We need to collect some school furniture which has been given to us by another school. Do you have a van and a couple of hours spare to help us collect and bring it back to school? If so, please contact Mrs Lewis in the office. Thank you!
