Father's Day Breakfasts

We had lots of fun on Thursday and Friday morning for our annual Father's Day Breakfasts. After enjoying a breakfast butty and a brew with the children, Dads, Step-Dads and Grandads were treated to performances from the school choir, who prepared us for summer in their shades, Class 1 and 2 who brought the emotion, and Class 3 & 4 who gave a sneak preview of one of their upcoming show songs. Thank you to everyone who was able to join us – photos will be shared on Google Classroom (Tapestry for Reception). Please be aware that we must limit numbers for these events to ensure safety regarding numbers of people in the Hall, and we ask that families always book in advance for these popular events. Thank you. We wish you all a happy Father's Day for Sunday!

Year 5 Parents

Science Visit: Please give your permission for the trip to Hulme Grammar for the Science afternoon next Tuesday 23rd. Thank you.

Residential Meeting: Miss Kay will host a brief virtual meeting 4.30 – 5.00pm next Thursday 25th (after Sports Day) to share information about your child's Year 6 residential trip next year. We will send out a link and the powerpoint will be available after the meeting.

Move-Up Mornings

On Tuesday 30th June and Thursday 2nd July, we will have two Friezland 'move-up mornings' to prepare children for the transition to their new year group in September. Year 6 pupils will either be visiting their secondary schools, or will be helping our new Reception children to settle in. Today, our Year 6 children will bring home their "Ready for Year 7" sheet which parents can use to help them feel ready for the move to secondary school. Children in Reception to Year 5 will spend the morning with their classmates for September, in a new classroom and with their new teacher where necessary. Our class teachers are keeping the same class roles for the coming year: Mrs Butterworth will remain in Reception, Mrs Power and Mrs Cookson will remain in Class 2, teaching Year 1 & 2, and Mrs Smith will stay in Class 3, teaching Year 3 & 4. Our new Assistant Headteacher, Miss Adams, will be here for move-up mornings and she will teach Year 5 & 6 in Class 4.

Class 4 Crucial Crew Trip

This week, our Year 5 & 6 pupils travelled to MADHLO Youth Centre for the Crucial Crew experience. This is a series of workshops delivered by members of our emergency and wider services, to help prepare our older pupils for the transition to secondary school. They took part in a series of short workshops learning about ways to handle challenging situations such as: travelling on public transport, rail and road safety, anti-social behaviour and peer pressure. They have all learned about who they can ask for help in the community and reflected on how to keep themselves safe as they get older.

DLP Tennis Event

Following the success of last week's event, this week, Emma, Bella, Seth and Jacob took part in the Year 5 & 6 Tennis event at Tame Valley Tennis Club. They represented Friezland brilliantly, improving their serving, rallying and accuracy, playing games with other children from across the partnership. They all had fun and we were very impressed with their skills!

Outdoor Learning & Sports Day

Due to the wet weather, we had to postpone our Sports Day and Outdoor Learning Day. Given how busy the school calendar is over the remaining 4 weeks, it has been a challenge to find a full day when all factors enable us to have a full Outdoor Learning day. Therefore, we have decided to do our Outdoor Learning on the morning of **Thursday 25th June**, followed by Sports Day in the afternoon. During the morning, teachers will pack in as many of our planned Outdoor Learning activities as possible, and squeeze in any that we may not get time to do over the following days! **Children should wear their PE kit for the day, along with a sun hat and put sun cream on before coming to school.** Sports Day will run as planned; Church Rd gate opens at 1.20pm for a 1.30pm start. It looks like the weather will be in our favour... and we hope that you can join us.
